

BOM 9

Birdhouse and Writing “Welcome”

Size:

Birdhouse

Block size completed 24 x 27 cm
Block size incl. seam allowance 25.5 x 28.5 cm

Writing

Block size completed 24 x 8 cm
Block size incl. seam allowance 25.5 x 9.5 cm

Cutting:

Cut out the background fabric a little larger than required by the needed block size. While applying, embroidering and ironing, the fabric may be deformed a little. Then it is easier to straighten the fabric afterwards. If you use an embroidery frame, the cut-out must be big enough to be put into the frame.

Draw the contours of the block on the cut-out with a water based marker. This helps with positioning the appliqué motifs.

Distribution of the fabrics

Background	beige
Birdhouse	blue
Birdhouse roof	dark gray
Tree trunk and fence	dark brown
Landscape lines	different shades of green

Completion:

Apply tree, fence, birdhouse and landscape lines as described in the introduction.

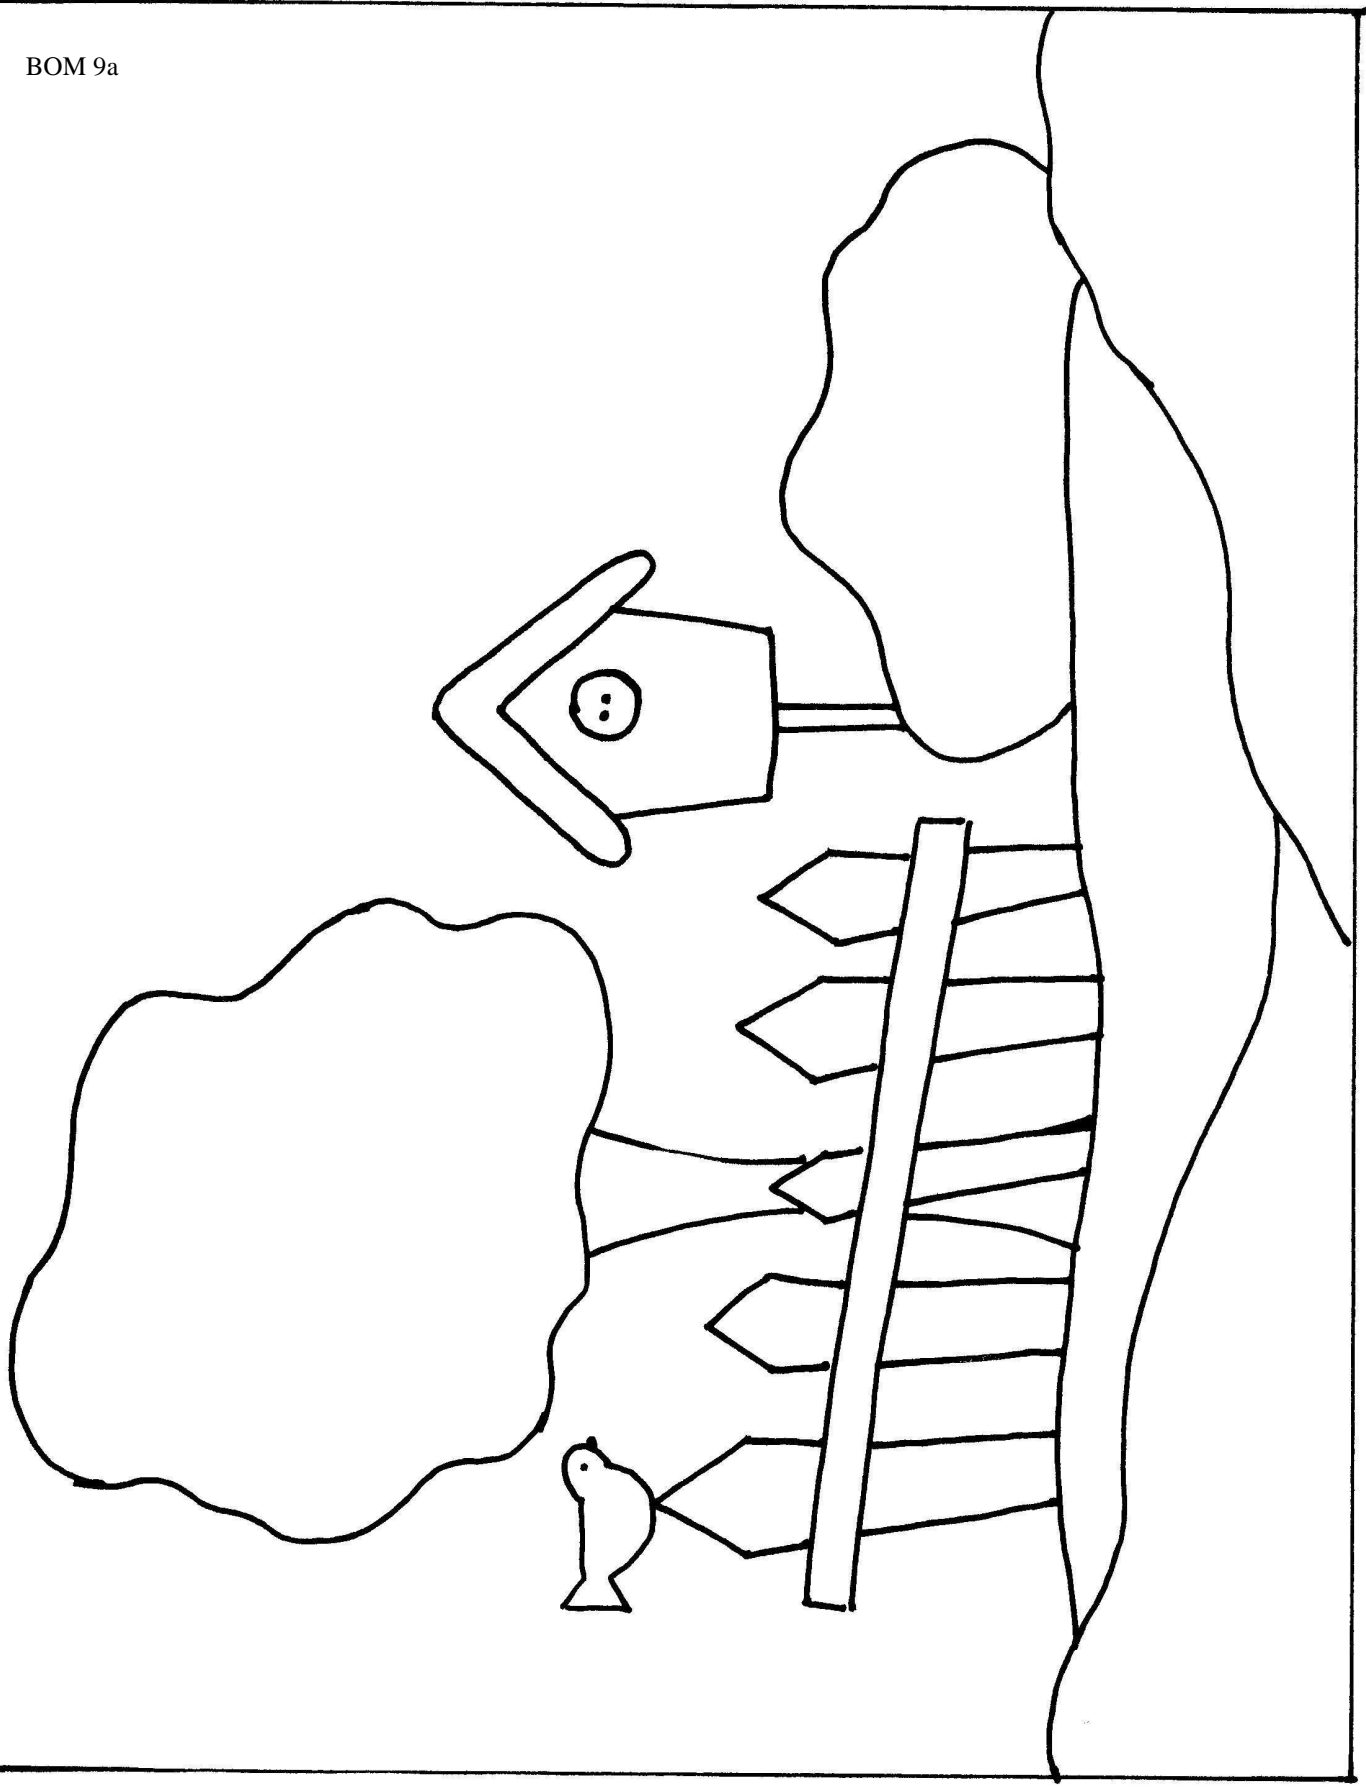

Embroidery:

Embroider the contours of the bird using **COTTON 12** in brown with a backstitch, and the flower stems in green with a stem stitch. Embroider a few blossoms onto the meadow with a Lazy Daisy. Sew on buttons as blossoms.

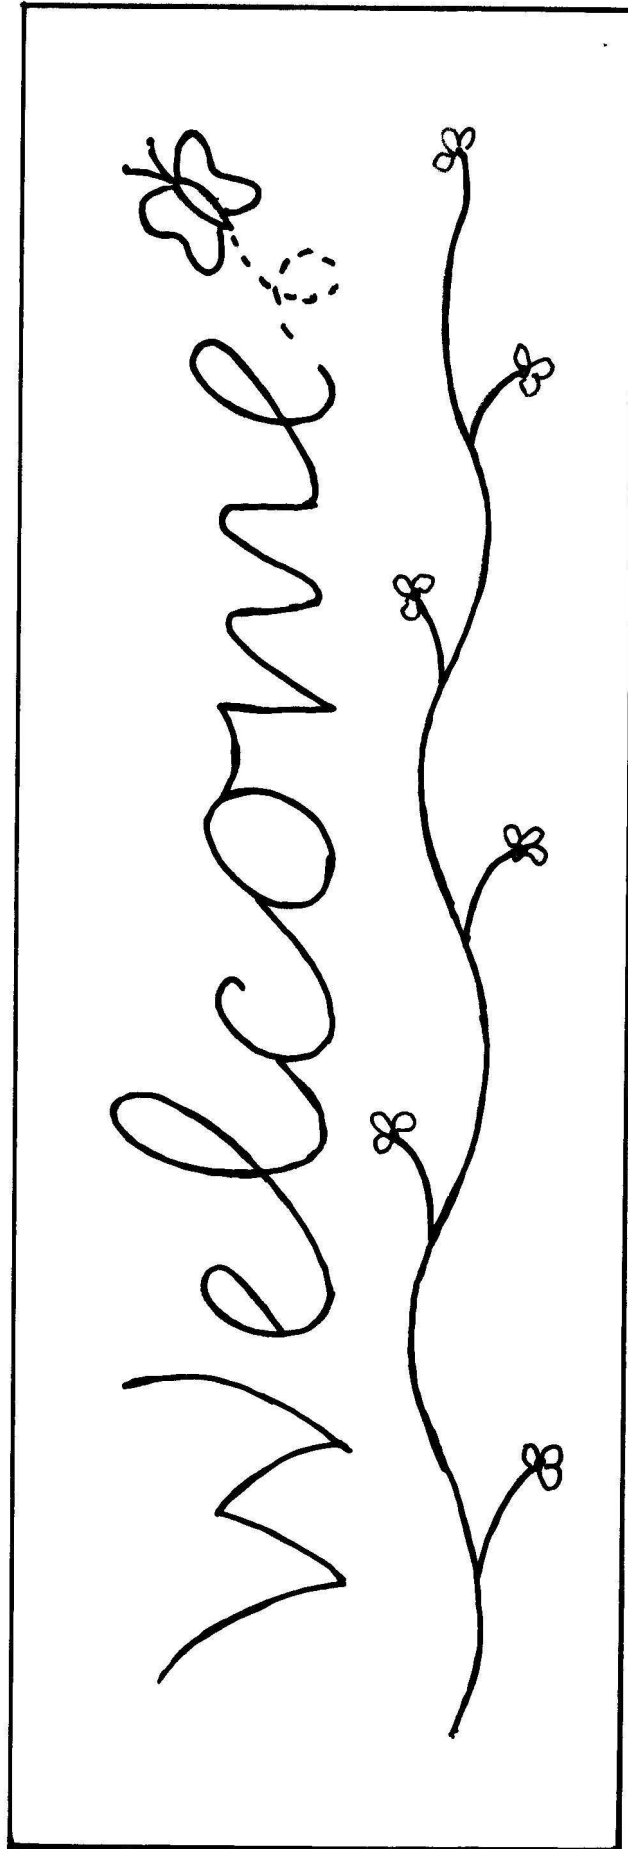

Embroider the writing "Welcome" using **COTTON 12** in brown with a stem stitch, the twine in green. The blossoms are embroidered with a Lazy Daisy and the butterfly with a backstitch. Sew on additional buttons onto the writing at your discretion.
