## Embroidery Instruction

### 3D Muffin Applique

This muffin is especially digitised for the applique technique. The icing is accentuated by placing **Gütermann SULKY PUFFY** underneath the appliqué fabric thus creating a 3D effect.

Stitch count: 4565

width: 72 mm

height: 66 mm

Digitised for: **Gütermann SULKY RAYON 40**

1.  1224

2.  1224

3.  1109

4.  1224

5.  1071

6.  1071 + **Gütermann SULKY PUFFY**

7.  1071

8.  1121

Recommended stabiliser: **Gütermann SULKY TEAR EASY**

Embroidery Machine Applique:

First embroider outline on base fabric, then place fabric for applique onto base fabric. We recommend to affix it with temporary spray adhesive **Gütermann SULKY KK2000**.

Embroider 2<sup>nd</sup> colour then cut back appliqué fabric close to outline.

Have fun re-creating our projects!
